AGENTS THAT INHIBIT SERUM
AGING FACTORS AND USES AND
COMPOSITIONS THEREOF

Attorney Docket No.: 8951-124-999

INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §1.56 AND §1.97

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, attorneys for Applicants hereby direct the Examiner's attention to references AA through DN listed on the attached revised form PTO 1449. Legible copies of references AA through DN are submitted herewith.

Identification of the above-listed references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since that form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "Revised Form PTO 1449" entitled "List of References Cited." Applicants respectfully request that the Examiner review the references cited on the attached revised PTO Form 1449, and that the references be made of record in the file history of the instant application.

Pursuant to 37 C.F.R. § 1.97(b)(3), since this Information Disclosure Statement is believed to be filed before the mailing date of the first Office Action on the

merits, no fee is believed to be due. However, should the Patent Office determine otherwise, please charge the required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A copy of this sheet is enclosed.

Respectfully submitted,

Date July 27, 2000
